Wallingford BunkFest

music, dance, steam and beer... fri 29th - sun 31st aug 2008

BunkFest is now firmly established as a leading event on the nationwide folk and roots music scene, with fabulous concerts, dance displays, ceilidhs, sessions, workshops, Community Street Fair, a huge craft and trader fair, arts for young people, an enormous beer festival, music on the river and a singing train. It is a major event for the benefit of communities in the town and surrounding villages. BunkFest 2008 will be back to big after last year's inevitably downsized though still lovely mini-fest! The work involved in setting up a festival is tremendous, so the

Friends of Wallingford BunkFest was formed. The idea is that we enlist the services of willing people to help out with the enormous number of jobs that need to be done before, during and after the Festival.
