

Wallingford BunkFest

music, dance, steam and beer... fri 4th - sun 6th sept 2009

BunkFest is now firmly established as a leading event locally and on the national folk and roots music scene, with fabulous concerts, dance displays, ceilidhs, sessions, workshops, street fair, a huge craft and trader fair with local craft displays, arts for young people, an enormous beer festival, music on the river and a singing train. It is a major event for the benefit of communities in the town and surrounding villages. The work involved in setting up the festival is tremendous, so we need to encourage as many people as possible to join the team and participate in its success - your support is greatly appreciated.

Please tick any jobs that interest you:
